2. The parties have submitted a joint motion seeking to extend each of the deadlines set forth in the preliminary approval order by 21 days in order to time the class notice to maximize class members' response to the class notice.

- (b) The Settlement Administrator shall establish the Settlement Website, complete the publication notice, send all e-mail and U.S. mail notice to known Class Members, and establish a toll-free telephone line no later than January 21, 2019;
- (c) The Settlement Administrator shall complete re-mailing of any notice sent by regular mail that is returned to the Settlement Administrator, for any Class Member for whom the Settlement Administrator is able to identify an updated or better address no later than February 18, 2019;
- (d) Plaintiff shall file her motion for final approval of the Settlement, and Class Counsel shall file their application for attorneys' fees and reimbursement of expenses and request for an Incentive Award for the Plaintiff, no later than February 18, 2019;
- (e) To receive any settlement benefit, Class Members must either postmark or submit online the Claim Form no later than March 20, 2019;
- (f) Class Members must file any objections to the Settlement, or to the application for attorneys' fees and reimbursement of expenses and request for an Incentive Award, no later than March 20, 2019;
- (g) Class Members must file requests for exclusion from the Settlement no later than March 20, 2019;
- (h) The Plaintiff and/or Class Counsel shall file any responses to timely filed objections no later than March 29, 2019;
- (i) The Final Approval Hearing will be held on 4/29/2019 at 2:00PM [no sooner than 140 days after this Order], in courtroom 2 of the United States District Court for the District of Massachusetts, 1 Courthouse Way, Suite 2300, Boston, MA 02210.
